

An aerial photograph of a city, likely London, showing a wide river (the River Thames) flowing through the center. Several bridges are visible, including the Cable Bridge and the London Bridge. The city is densely packed with buildings of various heights and styles, with a mix of modern glass-fronted structures and older brick buildings. The river is blue, and there are some boats visible. The overall scene is a high-angle, wide-area shot of a major urban center.
